ABOUT ESSENCE CLEAN

WHO WE ARE

Essence Clean Pty Ltd is a Sydney-based commercial cleaning company committed to delivering reliable, professional, and high-quality cleaning services across a diverse range of facilities. Established in October 2023, we focus on long-term partnerships, exceptional service delivery, workplace safety, quality assurance, and ethical business practices.

OUR MISSION

To provide outstanding commercial cleaning solutions that exceed client expectations through professionalism, consistency, and an unwavering commitment to quality and safety.

OUR VISION

To become one of Sydney's most trusted commercial cleaning providers, recognised for reliability, integrity, and excellence in every facility we service.

CORE VALUES

Integrity | Reliability | Quality | Safety | Accountability | Respect

Our goal is to consistently deliver cleaning services that meet the highest professional standards. We invest in our people, maintain rigorous quality control processes, and ensure every client receives responsive, transparent, and dependable service. Our commitment to workplace health and safety, environmental responsibility, and ethical employment underpins everything we do.
